Customer is responsible for the UTELECOM Equipment and must compensate UTELECOM for any loss or damage to it, (fair wear and tear excepted), unless UTELECOM or UTELECOM's agent causes such loss or damage. If the Customer becomes aware of any loss of, damage to, claim over, or malfunction of the UTELECOM Equipment, the Customer must promptly notify UTELECOM. UTELECOM may, at any time and at UTELECOM's cost, modify or replace UTELECOM Equipment provided there is no material adverse impact on the provision of the Service. In respect of UTELECOM Equipment, the Customer must:

Such ad-hoc charges include remote hands fees, out-of-hours or incorrect call out fees, administration charges for moves, adds or changes or other charges notified by UTELECOM from time to time. Such ad-hoc fees will only be charged when the Customer has been

advised of the fees in advance of ordering the service that leads to the fee. The Customer's obligation to pay for the Service will accrue on and from the Service Commencement Date.

- 6.2 UTELECOM will periodically issue to the Customer an invoice for the Service and the Customer must pay each Invoice in Australian dollars within 30 days of the Invoice Date (**Due Date**). The Customer agrees that UTELECOM may use a Related Body Corporate of UTELECOM to perform billing and collection services for UTELECOM in relation to Invoices and that amounts invoiced by and paid to that Related Body Corporate shall be treated as payments under the Agreement.
- 6.3 To the extent that it is not precluded by regulation from doing so, if UTELECOM has omitted Charges from an Invoice for any reason, UTELECOM may include such Charges in a later Invoice.
- 6.4 There is a presumption that records held and logging procedures adopted by UTELECOM or any other third party provider with which the UTELECOM Network is interconnected are correct and that the Charges have been incurred and are payable by the Customer in the absence of manifest error.
- 6.5 If the Customer disputes the validity of any Charges in an Invoice:
- (a) The Customer must notify UTELECOM in writing of the reasons for the dispute within 40 days of the date of that Invoice;
 - (b) The Customer must pay the full amount of the Charges in the disputed Invoice unless the Customer has notified UTELECOM in writing of the reasons for the dispute by the Due Date of that Invoice and will pay the undisputed portion of the Charges in the Invoice by the Due Date of that Invoice;
 - (c) UTELECOM will endeavour to give the Customer a determination on the dispute within a reasonable time of receiving the Customer's notice of dispute and UTELECOM shall keep the Customer informed as to the expected timeframe for finalisation;

 - (e) if the Customer disagrees with the determination, the Customer will be entitled to engage the dispute resolution mechanisms set out in clause 16 below.

7. GST and Other Taxes

- 7.2 The Customer must pay all taxes (including any goods or services tax or any equivalent thereof), duties, stamp duties, impost, levies, or government charges relating to the Agreement, the supplied Services, provision of the UTELECOM Equipment and, where relevant, the sale of the Purchased Equipment. Should there be an introduction of any new tax, duty, levy, or government charge relating to any charges (including Charges) under the Agreement, the Customer must pay UTELECOM for such taxes, duty, levy or government charges imposed under such relevant legislation.

8. Variation of Agreement

- 8.1 Except as set out in this clause, the Agreement may not be varied except in writing signed by the parties.
- 8.2 UTELECOM may at any time vary the Agreement by giving to the Customer written notice of the variation (a **Variation Notice**). If UTELECOM gives a Variation Notice and the Customer does not accept the variation, the Customer must notify us in writing within 20 Business Days from the date of the Variation Notice. If the Customer fails to do so, the Customer will be deemed to have accepted the variation and the new terms and conditions will take effect from the next billing period after the Variation Notice was given or at the time specified in the Variation Notice.
- 8.3 If the Customer notifies UTELECOM that it does not agree to the variation, the Customer and UTELECOM must discuss the proposed variation in good faith. If no agreement on a variation arises within a further 10 Business Days, either party may terminate the Service upon the giving of a further 20 Business Days' notice. For the duration of the further notice period, the terms and conditions applicable immediately preceding the delivery of a Variation Notice will continue to apply.

9. Creditworthiness

- 9.1 UTELECOM's obligations to supply a Service, and to continue supplying a Service, are subject to UTELECOM being satisfied as to the creditworthiness of the Customer.

- 9.2 UTELECOM may, from time to time, review the Customer's creditworthiness. In doing so, UTELECOM may seek from the customer or an independent person such as a credit reporting agency or credit provider information or advice to assist in the creditworthiness review.
- 9.3 Customer agrees promptly to cooperate with a review by:
- (a) providing to UTELECOM any information (including a completed UTELECOM credit application form) UTELECOM reasonably requires to conduct any such review; and
 - (b) giving to UTELECOM permission (which permission is by the signing of the Order Form granted) to communicate with credit reference associations about the Customer's creditworthiness.
- The information sought in this clause can include any information reasonably required by UTELECOM about the Customer's creditworthiness, credit standing, credit history or credit capacity that credit providers are allowed to give or receive under law.
- 9.4 The Customer warrants that all material information that it provides to UTELECOM in any creditworthiness review will provide a true and fair view of the Customer's financial position at the time it is provided, and that all other information is accurate and complete.
- 9.5 The Customer is entitled to see and to correct any credit information that UTELECOM holds about the Customer.
- 9.6 Following a creditworthiness review of the Customer which may occur at any time before or during the supply of the Service, UTELECOM may give to the Customer a written notice specifying a credit limit and/or the security that the Customer is required to give to UTELECOM, which shall be in a form and amount that is no more than reasonably required.
- 9.7 If the Customer fails to provide the security required by UTELECOM within a reasonable time or exceeds the nominated Credit Limit, UTELECOM may suspend the supply of the Service.

10. Service Suspension

- 10.1 In addition to any other rights of suspension contained in the Agreement, UTELECOM may suspend the provision of the Service to the Customer:
- (a) immediately and, because of the urgency of the need, without prior notice, where:

11. Termination

- 11.1 A party may, at its election, terminate the Agreement:
- (a) immediately by written notice to the other party if a receiver, liquidator, provisional liquidator or administrator is appointed over any of that other party's undertakings or assets and that appointment continues for a period of 5 Business Days, or if that other party enters into any arrangement with any of its creditors or any class of such creditors or if that other party ceases to carry on business;
 - (b) immediately by written notice to the other party if that other party breaches any other provision of the Agreement which is capable of remedy and does not rectify that breach within 30 days of receiving written notice from the other party requesting it to do so.
- 11.2 UTELECOM may immediately, by giving notice to the Customer, terminate the Agreement if:
- (a) following a suspension of the Service under clause 10.1(b) or 9.7 the Customer fails within 14 days of the commencement of the suspension to rectify the breach giving rise to the suspension; or

- (d) the Customer must immediately pay to UTELECOM, without deduction or set off, all outstanding Charges and any other amounts payable to UTELECOM under the Agreement at the date of termination; and
- (e) UTELECOM will refund to the Customer the balance (if any) of any Charges or other money paid in advance to UTELECOM under the Agreement after deducting all amounts payable to UTELECOM under sub-clauses 12.1(d) above.

12.2 If a Service is terminated by the Customer before the expiry of the Minimum Service Period or is terminated by UTELECOM for breach of the Agreement by the Customer then, subject to clause 12.3, the Customer shall pay the Early Termination Charge in addition to any accrued charges. If an Order Form identifies any free service period, discount or other price break, the Early Termination Charge will include that amount the Customer saved from the usual Charges by reason of the free service period, discount, or other price break.

12.3 UTELECOM agrees that the Customer will not be liable to make payment of an amount in whole or part satisfaction of the Early Termination Charge if the Customer was entitled to terminate the Agreement under clause 11.1.

- 18.4 UTELECOM may set off or apply any credit balance in any of the Customer's accounts with UTELECOM or any amounts owed by UTELECOM to the Customer against any amount due and payable by the Customer to UTELECOM.
- 18.5 Failure by either party to exercise or enforce any right conferred by the Agreement will not be deemed to be a waiver of any such right nor operate so as to bar the exercise or enforcement of the right or of any other right on any later occasion.
